

Cryptography, graduate level 2023

Mirosław Kutylowski

Platform

- MS Teams streaming
- Videos:
 - on MS Teams for a limited time
 - copies available on webpage
<https://kutylowski.im.pwr.wroc.pl/lehre/krypto23/>
- Pdf files --- on the same locations

Communication

- MS Teams (main channel)
- Email from/to domain: pwr.edu.pl
email: mirosław.kutyłowski@pwr.edu.pl
- Grades etc personal data: over MS Teams

Webpage

All important data in the subpage ``internal''

Weak password/login protection:

login:student

password: **obrigado** (means „thank you” in Portugal)

Exam

any suggestion about time?

Exam questions:

- **sometimes tricky**
- **non-standard**
- **small intellectual challenges**

Final grade

- **Group of courses: one final grade for lecture, exercises and lab**
- **Points from each form will be rescaled so that:**
 - **Lecture result: 0-40 points**
 - **Exercise result: 0-30 points**
 - **Lab result: 0-30 points**

To pass the course:

- **at least $16 = 40 * 0.4$ points from exam**
- **at least 40 points in total**

In case of a problem ...

like hospitalization, personal issues, disability of any kind, ...

Please let me know! Otherwise I cannot help you.

We are on the same boat!
