- o Jakub Cz.
- o Kamil K.
- o Bartosz D.
- o Gabriel T.
- o Christian N.
- o Mateusz J.

Group 3 e-voting

- o Kajetan K
- o Piotr B

Apollo?

Group 4 Blockchain / cryptocurrencies

o Przemek G.

o Krystof P.

o Mikolaj P.

o Irwina Ch.

1) Each group gets a number of time slots proportional to the number of group members.

2) For the allocated time:

a) $\frac{2}{3}$ is for the presentation

b) $\frac{1}{3}$ is reserved for a discussion

3) Finally each group has to prepare a business summary of technical recommendations.

It should be a strategic document to be presented to the decision makers.
